# SUITE DREAMS

*The Far East-meets-France in this extravagant 18th century hideaway.*

To sample the real Paris choose a true Gallic gem, oozing romance, style and that *je ne sais quoi*. Our pick is Hotel Daniel, an intimate Relais & Châteaux property with spades of charm credentials. Like stepping into an oriental salon, the exotic interiors are lavish, exclusive and full-on glam. With just 26 rooms and suites this boutique bolt hole is ideally located between the Champs-Élysées and super stylish Rue du Faubourg Saint-Honoré. Heavenly!

B&B rates from €300 per couple.
